

Personal Assistant to accompany to college, Nottingham (SOLOKFKG)

I am a 19 year old male with Duchenne Dystrophy living in the Hucknall area of Nottingham. I have a good sense of humour and like to joke around a bit. I like playing computer games and am due to start College shortly to study Gaming.

I require someone to accompany me to College 3 days a week. I may also need assistance with extra curricular activities.

The role would involve meeting me off the bus outside the College, which is in the City Centre and assisting me into the college. You will then be required to accompany me to lessons. For the most part, you will not be required to be in the lesson with me, but on hand if I need to use the toilet. Part of the role includes hoisting me out of my wheelchair, undressing me and helping me on to the toilet. I will also need assistance with feeding at lunchtime. I use a Cough Assister, and a nebuliser if my chest is bad. Experience with a Cough Assister and nebuliser is preferred, but full training will be provided. Manual Handling and First Aid training will also be provided.

I am looking for someone who has a good sense of humour, is a good listener and someone who is not scared to muck in and get the job done.

The hours are 18 hours a week over 3 days (times to be confirmed once timetable finalised). The rate of pay is TBC.
